### **1. STRATEGIC OBJECTIVES**

The Corporate Services Division is responsible for providing essential services to the other divisions to support the successful execution of the core Treasury functions of the Department. This Division has responsibility for human resource policies, procedures, and advice to guide management and staff; and to facilitate organizational development which includes the review and re-design of business processes. It is also responsible for capacity building including the hiring of staff and the facilitation of staff training and development for best fit, competence and high performance. The Division is also responsible for effective employee and industrial relations, a comfortable work place and facilities, and occupational health and safety. It facilitates the establishment of an accountability framework for the Department to include organizational risk analysis, strategic planning, and performance management; and provides customers and stakeholders with high quality information and service. The Division manages the finances of the Department, which includes procurement management.

This division operates on the authority of the Financial Administration and Audit Act, the Public Service Regulations 1961, the Public Sector Staff Orders 2004, the Official Secrets Act, the Access to Information Act, the Corruption Prevention Act, and various other enactments.
